Premium ear canal headset with lifelike sound and high noise isolation
SENNHEISER

CX 880i

The CX 880i is a a premium ear-canal headset with lifelike sound and high noise isolation. The new headset with remote unit enables you to control the latest generations of iPhone and iPod, or the iPad.* No need to fumble with the player – simply push the buttons integrated in the cable to control the volume, play, pause, or skip tracks. Used on the latest iPhone models, the unit also serves as a headset to answer, end, or reject calls and activates the Voice Control.

- Smart remote with mic: enhanced usability for the latest models of iPod, iPhone and iPad
- Sophisticated ergonomic design with highly advanced acoustic systems
- Sleek ergonomic ear-canal buds and sleeves for a personalized fit
- Cable clip, cleaning tool as well as a leather storage pouch complete the package.
